Country Images Magazine

DERBYSHIRE EDITION!

Digital Media Pack 2026

COUNTRY DERBYSHIRE EDITION IMAGES

OUR NEW WEBSITE HAS LAUNCHED!

Discover Derbyshire like never before with the launch of the brand-new Country Images Magazine website.

As Derbyshire's premier lifestyle magazine, we bring you inspiring stories, breathtaking photography, local people, places, food, and events — all in one beautifully designed online space.

Fresh, engaging, and easy to explore, the new website is your digital gateway to the very best of countryside living and local life. Visit now and experience Country Images Magazine wherever you are!

For more than three decades, Country Images has celebrated everything that makes Derbyshire special. We share local stories, support local businesses, and offer a platform that connects brands with engaged, community-focused readers.

We know how important a strong online presence is. While the magazine remains our core focus, we extend your reach through our website. Your print advert can be supported by online posts, digital ads, videos, or blog content on our website, helping to boost visibility and direct more people to your business.

COPY FORMATS

For online adverts and newsletter advertising we recommend sending your artwork as an animated GIF with 3-5 slides.

Maximum file size: 2mb

We will, of course, do our very best to work with all our customers to ensure that your adverts are of the best quality and have the best impact on your clients. If you have any problems providing copy to the above specification please do not hesitate to contact us and we will do our best to find alternative ways of creating your desired advert.
